## Golf Cart Rules

This is a family oriented campground. For safety reasons, the same rules that apply for motor vehicles on our roads and highways do apply in our campground. Your cart can be a fun vehicle if driven properly and leisurely, but a hazard if driven carelessly.

- **All carts must provide valid proof of liability insurance** each and every year **prior to usage** in the park, once provided to the office a sticker will be provided to you free of charge and **MUST** be placed visibly at all times on the back of the cart. If a replacement sticker is required, a fee will apply.

**Please bring this form and hard copy of liability insurance to the office for validation.**

**Insurance copy provided: Date:\_\_\_\_\_ Sticker #\_\_\_\_\_ Auth.\_\_\_\_\_**

- You must get approval from park management before bringing a golf cart into the park
- Solo drivers must have a valid driver's license. Young drivers must produce proof of this if asked. Adult campers without a license, but still able to safely drive a cart, may do so at our discretion. Drivers with a beginner's license must be with a parent at all times and show proof of that license when approached.
- **Cart max speed is 10km/hr**
- All riders must be seated with no more passengers than for which the cart was designed for. No sitting on other people's laps (other than small children) **ABSOLUTELY NO STANDING ON GOLF CARTS.**
- Screaming, hollering, abusive language and boisterous behavior will not be tolerated. Speeding, racing and cart overload is dangerous and not permitted.
- If you have had too much to drink it's appreciated if you please refrain from driving.
- Front head lights on if driven after dusk.(flashlights are NOT permitted in place of headlights)
- Only **electric carts** after 11pm and before 7am

Failure to comply with golf cart rules will have consequences, first offence will receive a written warning, second offence you will be told to remove your golf cart from Cripple Creek Campground.
